Because of the generosity of God we have overflowing **faith!**

Psalm 104:28 - *“When you give to them, they gather it up; when you open your hand, they are filled with good things.”*

Disciples Home Missions is committed to equipping disciples for Christ and connecting people to the life changing love of God. Faith undergirds and supports this mission. Faith is demonstrated by the people who serve through Disciples Volunteering. Josh Baird, Director of Disciples Volunteering, reminds us that mission, at its core, involves sending! Jesus was sent by God. Jesus was sent in faith. And Jesus was sent to be in relationship with people. The church is sent by God, in faith, to be in relationship with others. It's the overflowing faith.

This overflowing faith is the faith demonstrated by those who advocate for our Refugee and Immigration Ministries. This ministry faithfully responds to Jesus' call to welcome the stranger through refugee resettlement, ministering with immigrants, and advocacy. DHM is faithfully committed to evangelism, creation, environmental and racial justice. This overflowing faith gives substance to things hoped for through Green Chalice's mission to connect Christian faith, spiritual practice and creation consciousness in order to demonstrate the fullness of God's shalom. This overflowing faith is demonstrated by the countless staff and advocates at DHM related Mission Centers all around the country. They faithfully provide a broad range of social services and spiritual resources to support and transform their local communities, bringing hope and hospitality, healing and peace, justice and compassion.
