

Minute for Mission for Florida region

Thank you for your Christmas offerings. Together we are making a difference.

In the Florida region, through your generosity, we were able to provide support in ministry alongside our 75 congregants, 200+ clergy, and 9000+ members made up of a rich diversity of participants.

We were able to give scholarships to 11 students preparing for ministry. We were able to provide \$1000 grants to five congregations for mission.

We hosted camps, conferences, and retreats for all ages. We supported the ministries of the broader church and joined in covenant partnership with Discipulos in Puerto Rico.

Your gifts put our faith into action as a church family, sharing the message, ministry, and love of Jesus Christ in ways far beyond what we could do alone. Thank you!
